Donors are Your Life Blood

Are You Deterring Them with Risks?

In these turbulent economic times, which will only get harsher, it is critical for nonprofit leaders to master their organizations' controls and recognize the types of risks to which they are exposed. Our workshop will help you understand three areas that can threaten your future. We will provide actionable steps so you can start mitigating risk when you return to your office.

We'll highlight these topics and take on your questions about:

- · avoiding the wrath of NYS UPMIFA
- · state charity registration risks
- mitigating risk in your investment portfolio

When: Wednesday, June 15 – 8:00-9:30am
